### **Policy**

The College will ensure that students have demonstrated learning outcomes for the specific course of study, which is consistent with the field of education and level of qualification awarded.

The College will hold a Graduation Ceremony each year at which the testamur will be conferred upon qualifying students either in person or in absentia.

A range of procedures governs the process by which students complete their course and gain eligibility to graduate.

#### **Academic Transcript (record of results)**

The College will ensure that after the finalisation of the results and approval by Academic Board, those students who are deemed eligible to graduate receive an academic transcript that reflects they have completed their course. This transcript is the official record of the student's studies at the College. It documents the full name of the course, the units of study undertaken, when they were undertaken and completed, any credit granted through recognition of prior learning, the weighting of units within the course of study, the grades and/or marks awarded for each unit of study undertaken, and an explanation of the grading system used.

This transcript will also include the completion date for the course, which will be different from the Graduation date on the testamur.

Students who complete one or more units of study that do not lead to an award of a qualification, will have access to an authorised record of results for the units undertaken.

## **Exit awards**

An exit award may be available to a student where:

- an exit award has been linked to the program in which the student is or was enrolled; and

- the student has withdrawn from their original enrolment or is unable to complete the remaining requirements for their original enrolment; and
- the student has applied in writing (including by email) for an exit award.
- the Academic Board has approved the application.

## **Approval to Graduate**

For any of the College's accredited higher education courses, the Academic Board is to recommend the granting of all of the College's qualifications to the Board of Photography Holdings Pty. Ltd.

The Board of Photography Holdings Pty. Ltd is responsible for approving an eligible student to graduate with the course qualification.

## **Applying to Graduate**

Eligible students are required to apply to graduate.

The College will hold an annual conferring ceremony at which all eligible students will graduate. The Chair of the Academic Board and the Higher Education Course Director will preside over Higher Education courses of study ceremonies, and admit the graduands to the relevant course of study. Students may graduate in person or in absentia.
